DESCRIPTION

naturaLED® Under Cabinet (UC) Lights are perfect for kitchen utility cabinets, shop cabinets and display lighting. Under cabinet lighting adds a layer of depth to your kitchen, highlights decorative surfaces and assist in tasks such as cooking and cleaning. The design features low-profile body with a white acrylic diffuser, an integrated on-off switch for each unit and connector cable (if desired) for easy installation. Our fixtures are wide-beam spreads and available in 9-inch.
